Subject: Notice of File Closure and Release of Reclamation Surety, Thirstystone Resources, Inc, Black Ridge #1 Mine, S/053/0027, Washington County, Utah.

Dear Ms. Leahy:

The file for the Black Ridge #1 mine, number S/053/0027, will now be closed. At the request of Carl White, a site inspection was conducted on May 3, 2011, and it was determined that the site has been satisfactorily reclaimed and can be fully released. By copy of this letter, the Division of Oil, Gas and Mining is notifying the Bureau of Land Management that the surety they hold for this site may be released.

We are returning your original reclamation contract for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or reclamation activities at this site, you will need to submit a new Notice of Intention to the Division and file appropriate permitting forms with other agencies.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310. Thank you for your cooperation in completing the reclamation work.

Sincerely,

Paul B. Baker.
Minerals Program Manager
